

Early Years Funded Entitlement policy

What is Early Years Funded Entitlement?

Grace Periods

The grace period enables parents to retain their EYFE place until the end of term if they become ineligible for the EYFE for Working Families. The table below shows the specific grace period end dates:

The 'validity end date' is parents' 'deadline' for reconfirming. The 'grace period' date is the last date on which parents should receive the EYFE for Working Families. A child should not start accessing their EYFE for Working Families at their current or new provider whilst in their grace period.

Headcount / DfE censuses day

We aim for all children to start by the Headcount date. We can claim for any eligible child that starts after WSCC headcount day, up to the above DfE census day through an adjustment process. All claims remain subject to standard eligibility checks. If a child has not started by this date, we are not able to claim funding until the following term unless for the circumstances listed below. After Headcount date or our claim date we are unable to reduce or increase the number of funded hours until the following term.

Valid exceptional circumstances include a child:

- in the 9 months plus age group approved for EYFE for Working Families where the child must have a valid 11-digit eligibility code with a 'Code Start Date' prior to the beginning of the term, and a 'Code End Date' after the child's first day of funding.
- approved for 2-year-old local authority (LA) Issued EYFE who is not already attending a West Sussex childcare provider - children awarded EYFE under this criteria can start at any point in the term
- who has moved into West Sussex after headcount
- with an additional need whose start with a provider has been supported by a professional such as a GP, portage, speech and language therapist and health visitor

To make a Post Headcount claim we will require you to complete the relevant forms, the Local Authority will then decide whether to approve the funding. We will not be able to provide your child with funded hours until we have received approval from the Local Authority.

Accessing Early Years Funded Entitlement at Green Roots

The provision of Early Years Funded Entitlement (EYFE) includes the delivery of early years education and childcare, and we deliver this in line with the requirements of the Early Years Foundation Stage (EYFS). Parents/carers will be required to complete a Parent Declaration form via Funding loop before they begin accessing their EYFE sessions at Green Roots. A new copy will need to be completed if your personal details or your child's EYFE hours change. Children are required to attend their EYFE sessions prior to and at headcount for Green Roots to claim EYFE funding from WSCC for them.

Note there are no conditions to accessing EYFE places at Green Roots, including:

- No requirement to access a minimum number of hours or sessions.
- No requirement to access additional paid-for hours.
- No requirement to take up additional paid services, such as lunch, consumables, extra classes, and trips etc.
- No non-refundable administration fees for children accessing only EYFE.
- No requirement for children to use all their EYFE solely at Green Roots. Children may access EYFE sessions at a maximum of two different sites per day.

Should you choose to withdraw your child, Green Roots requires 4 weeks written notice for EYFE sessions, inclusive of holidays and periods of closure. If you move to another provider within West Sussex after the notice period, your new provider can contact us to request transfer of any remaining funding we have claimed on your child's behalf.

If your child misses EYFE sessions due to illness, holidays or any planned or unplanned absence, these hours will not be available at a later date. If Green Roots is unexpectedly closed during your child's regularly scheduled EYFE sessions, due to illness or other unforeseen reason, Green Roots will offer these hours at an alternative time subject to availability and where reasonable.

Registration/Administration fees

Upon registering your child with Green Roots, we ask for a Registration/Administration fee of £40. Note that children accessing only EYFE are exempt from this charge.

Deposits

We charge a deposit of £150 upon registration. This deposit will be returned shortly after headcount if only accessing EYFE. Note that those children approved for Early Learning for 2-year-olds (LA Issued EYFE) and accessing EYFE only will be exempt from paying a deposit. Please see our Terms and Conditions for further stipulations regarding the return of the deposit.

Additional Services

The funding we receive is not intended to cover the costs of meals, other consumables (such as nappies or sun cream), additional hours or additional activities (such as trips) which we provide, therefore we charge a fee for these additions.

We value that parents will choose their child to attend Green Roots for the environment and services we provide and therefore our expectation is that Parents will pay for these.

Parents can however request to provide their own food and consumables instead and opt out of the additional activities. If you wish to provide your own, please be aware that:

- you must inform us at registration or at least 8 weeks prior to the start of the term.
- you will be opting out of all additional services during all sessions your child attends
- we will provide you with the list of specific items you must provide
- food must adhere to Green Roots Nutrition and Mealtimes policy
- if children attend their EYFE session without sufficient food or consumables (i.e., food that does not adhere to our policy), then these will be provided by Green Roots at a cost to the parent.

Parents can also pay for additional hours, which are subject to availability. Accessing additional paid-for hours is not a condition of accessing EYFE hours.

Support for children with Special Educational Needs and Disabilities (SEND)

Green Roots is welcoming of all children and will work with parents and carers to ensure the needs of their children are met. To best support your child, Green Roots will assess their needs during their settling in period and their regular attendance and consult with you about any needs you or Green Roots identify.

Targeted Setting Support

Should any additional needs be identified, support is available from West Sussex County Council via Targeted Setting Support. Green Roots will consult with parents and carers before seeking this support.

Inclusion Funding

Inclusion Funding can be applied for by providers signed up to offer Early Years Funded Entitlement (EYFE) to support them in allowing children with additional needs to access their EYFE. Green Roots will consult parents and carers before applying and seek their input into the action plan for the child. Green Roots will share this action plan with West Sussex County Council, who will then determine if Inclusion Funding can be provided and how much. Note that if your child has already been approved for Inclusion Funding at another West Sussex provider, some or all of this funding may be made available for use at Green Roots. In this case, we will consult with you further regarding best use of this funding.

Local Offer

You can find information about our Local Offer on our website.

Early Years Pupil Premium (EYPP)

EYPP is additional funding for early years settings to improve the education they provide for eligible children claiming Early Years Funded Entitlement (EYFE). EYPP is paid to settings alongside EYFE for up to 15 hours. Children do not need to take up their full entitlement to receive it. EYPP will be paid in proportion to the child's actual EYFE hours.

For Green Roots to be able to claim for your child, you will need to provide the following information and tick the box on the Funding loop application:

- Parent/carer's full legal name.
- Parent/carer's date of birth.
- Parent/carer's National Insurance (NI) number or National Asylum Support Service (NASS) number.
- Evidence that the child has been in local authority care for one day or more in England or Wales (if applicable).
- Evidence proving the child has been adopted from local authority care, left care through a special guardianship order or is subject to a child arrangements order (if applicable).

Green Roots will determine best use of the funding by assessing the needs of eligible children, and in consultation with parents. We may also seek advice from West Sussex County Council for best use.

Disability Access Fund (DAF)

DAF is a measure which aids access to early years places by, for example, supporting providers in making reasonable adjustments to their settings and/or helping with building capacity, be that for the child in question or for the benefit of children attending the setting. DAF is a fund that can be paid once per year.

Children will be eligible for the DAF if they meet the following criteria:

- the child is in receipt of child Disability Living Allowance (DLA); and
- the child receives Early Years Funded Entitlement (EYFE).

For Green Roots to be able to claim DAF for your child, you will need to provide the following:

- A newly completed Parent Declaration, completed to confirm you would like Green Roots to apply for DAF on behalf of your child; and
- A copy of a letter confirming your child's current eligibility for Disability Living Allowance (DLA)

To determine best use of the funding, Green Roots will assess the needs of the child, consult with parents, and seek support from West Sussex County Council where required.
